

The 16th Annual International Deming Research Seminar

22-23 February 2010
New York City

CALL FOR PAPERS

Seeking research papers or ideas that link the work of W. Edwards Deming to the academic literature, works of other great thinkers, or examples of Deming's theories applied in business for February conference in NYC.

Dr. W. Edwards Deming created a revolutionary Theory of Management that is applied in the best-run organizations in the world. He integrated knowledge from Psychology, Statistics, Systems, and Theory of Knowledge for use in all types of enterprise.

The 16th Annual International Deming Research Seminar will bring together people from around the world, and from a variety of specialties, to enhance, extend, and illustrate Dr. Deming's theories. This seminar is sponsored by Fordham University Graduate School of Business, The W. Edwards Deming Institute[®], and The Deming Cooperative.

Papers must be original work. Abstracts of 200 words or less should be sent to wedresearch@fordham.edu or mailed to Joyce Orsini, Fordham University GBA, 33 W 60th Street - Rm 417, NY NY 10023.

For more information please send e-mail to wedresearch@fordham.edu, or telephone 212-636-6219.
